

To the talented, dedicated
nurses of Marin General Hospital,
we have just one thing to say:

**THANK
YOU!**

**YOU WORK HARD TO TREAT THE COMMUNITY WELL.
That's why we want to treat YOU.**

We couldn't let National Nurse's Week go by without acknowledging the incredible nursing team at Marin General Hospital. Your professionalism and healing touch are assets to the hospital—and the community. We look forward to working closely with you after the June 29 transfer. In the meantime, please accept our hearty thanks for a job done well.
