

Creating a healthier Marin together.

# Community Health Seminar Series

## COVID-19 Vaccinations

### You're Invited...

As the COVID-19 pandemic continues, it is exciting and encouraging that distribution of the much-anticipated vaccines has begun, and that more of the population will have access to immunization in the coming weeks and months. Join us to learn the latest on COVID-19 vaccinations and the roll-out process in Marin County.

In this presentation, Dr. Cumming, Dr. Klein, Dr. Shavelson, and Dr. Tolliver will discuss:

- Safety and efficacy of the vaccines
- The two-shot vaccination process
- Vaccine distribution tiers, including who is eligible now
- How MarinHealth and other healthcare entities receive vaccine allotments
- Availability of supplies now and in the near future
- Appointment scheduling

We'll also have time for Q&A at the end of the presentation.

### Featured Speakers

#### **Susan Cumming, MD, SFHM**

Medical Director, Quality, MarinHealth Medical Center

#### **David Klein, MD, MBA**

CEO, MarinHealth and Marin Healthcare District

#### **Karin Shavelson, MD, FAAP**

Chief Medical Officer, MarinHealth Medical Center

#### **Gregg Tolliver, MD, MPH**

Infectious Disease Physician, MarinHealth Infectious Disease | A UCSF Health Clinic
